---

Islamic Revolution Leader Ayatollah Sayed Ali Khamenei has named 1401 the year of "knowledge-based production and job creation".

The secretary of the conference said that the two-day event will be held with a focus on 22 topics in interdisciplinary majors.

Yousef Taghipourian added that 30 papers are to be presented at the event.

He termed Knowledge-based companies as one of the components of the strength and development of any state.
